

Possibilities Program

Support people in our community to build their skills and prepare them for future job opportunities.

Forrest Personnel's Possibilities Program is a 10 week program, developed to equip those with barriers to employment, with the skills, confidence, and support needed to secure meaningful, suitable, and sustainable employment that aligns with their unique strengths.

Involvement in Forrest Personnel's Possibilities Program allows businesses and community organisations to provide our participants with a realistic preview of the workplace and valuable information about employment. Helping individuals build confidence and skills, preparing them for future job opportunities.

For Businesses:

How does this benefit you?

- Supporting targets around your Environmental, Social, and Governance responsibilities (ESG).
- Supporting individuals in our community.
- Pipeline of potential employees.

How you can be involved:

- Share your knowledge and experience with us by way of presenting to a group.
- Open your business space to small group excursions, providing exposure to workplace environments (1/2-1hr).
- Provide opportunities for work trials, work experience and/or employment.

Community Group or Organisation:

How does this benefit you?

- Provides a value add/pathway for your participants to engage with employment possibilities.
- Support your Environmental, Social Governance responsibilities (ESG).
- Bridging gaps in the community.

How can you support?

- Encourage participants to enrol.
- Spread the word.
- Collaborate with us to provide participants with referral points.

If you would like to be involved contact us on:
